

**WARREN AMATEUR RADIO ASSOCIATION**  
**SIXTH ANNUAL BILL CRAIGER MEMORIAL**  
**TWO METER VHF TRUMBULL COUNTY TOWNSHIP QSO PARTY**

**GENERAL RULES:**

1. Individuals and stations are limited to one entry per contest.
2. A transmitter, receiver, or antenna used to contact one or more stations may not subsequently be used under any other call during the contest period.
3. Stations may be worked for credit only once per band from any given township. This does  
Not prohibit working a station from more than one township with the same call sign (such as a Rover).
4. Retransmitting either or both stations, or use of repeater frequencies is not permitted.
5. This prohibits use of all repeater frequencies.
6. Contest entrants may not transmit on repeaters or repeater frequencies for the purpose of soliciting contacts.
7. Use of the national simplex frequency, 146.52 MHz, or immediately adjacent guard frequencies is prohibited.
8. Contest entrants may not transmit on 146.52 MHz for the purpose of making or soliciting QSO's.
9. Only recognized simplex frequencies may be used, such as 144.90 to 145.00; 146.49, .55 and .58 and 147.42.45 .48, .51, .54 and .57 MHz on the 2 meter band.
10. A station located precisely on a dividing line between townships must select only one as the location for exchange purposes.
11. Rover: One' or two operators of a single station that moves among two or more townships  
during the course of the contest. A rover vehicle may transport only one station using a single call sign. Rovers sign "rover" on phone contacts.
- 12: Out of County: Any base station or rover outside of Trumbull County, but making contacts with stations  
in townships within Trumbull County.

**CONTEST:**

1. Object: To work as many amateur stations in as many different townships in Trumbull County as possible using authorized frequencies in the 144.00 to 148.00 MHz band.
2. Date and contest period: The afternoon of Saturday March 17, 2007. Begins at 02:00 PM and ends at 08:00 PM EST.

3. Entry categories: Low power 5 watts or less. Medium power 6 watts through 24 watts. High power 25 watts or more. Rover: Low, Medium, and High power .  
Out of County: any power

4. Exchange: Call, name, township. Rovers sign "rover" with exchange.

5. Scoring: QSO points count 1 point for each complete contact made with a station within Trumbull County.

Multiplier: The total number of townships in Trumbull County worked. QSO points for stations within Trumbull County making contacts with stations outside of Trumbull County is 1 (one)

Final score: Multiply the number of QSO points by the total number of Multipliers for Final score.

6. Miscellaneous: Stations may be worked for credit from more than one township with the same call sign (such as rover).

7. Awards: Certificates will be awarded for the top scorer in the following categories. Low power, medium power, high power, rover Low, Medium, and High and out of county. AND WORKED ALL TRUMBULL COUNTY

8. Submission: All submissions must be turned over to KC8PVB BOB MAURER no later than Saturday APRIL 14, 2007. All entries must include a properly completed summary sheet.

You can also use the Postal Service and send entries to:

W.A.R.A. P.O. BOX 809 WARREN, OH 44482

9...ALL rovers must check in with event coordinator prior to the event
