## Sunshine and Sick

By Sherman Davidson KC8YHJ

Bob Schweinfurth KB8RHH is recovering from a stroke that was a little worse than the previous strokes. He is doing fine and is looking forward to attending the club meetings when he gets too feeling better.

Sue KC8VHC is still recovering from her last visit in the hospital, which left her feeling quite weak.

She has been having friends come to help her out as much as possible, which she is really enjoying the company. Please give her a call and let her know that she is missed and wish her a speedy recovery.

Renee KB8SVF was in the hospital getting her knees taken care of again and is coming along fine.

Bud KB8OMV was in the hospital with

pneumonia and is on the road to recovery, he was feeling well enough that he ventured a trip to field day, we were glad to have him there.

Frank KD8KJ is having difficulty with the healing process of his foot. THEY (the Doctors) are now having him try hyperbaric chamber with the hope that it will help speed up the healing process.

## 2008 Field Day

The W.A.R.A. participated in Field Day and all in all we had a very good turnout. There was three radio operating.

Dennis KC8LMC provided the logging system for this year and it was a great help. We did have the tribune Chronicle stop so

hopefully we will make the paper at some point in time. Mayor O'Brien paid us a visit late on Sunday.

Hope there will be more on Field day in the next issue of the Q-Match.

Mayor O'Brien with president Gail KC8LRH and Secretary Emily KC8RAL

## Redwood Empire Award

Mark your calendars for the weekend of October 4th and 5th for the California QSO Party. With the improvement in the higher bands recently, you should be able to work California on at least 40, 20, 15 and 10 meters. Plus if we would get an opening as in the VHF Party you might even be able to work California on 6 meters.

Therefore, you have a wonderful opportunity to earn the "Redwood Empire Award". It is awarded for working at least one amateur in each of the 5

California North Coast counties of: Marin, Sonoma, Mendocino, Humboldt, and Del Norte. You can make the contact with CW, SSB, AM, FM or any of the digital modes, for example PSK31.

If you would like an endorsement for a special mode, you can request it. The award is given by the Redwood Empire DX Association and administered by WW6D. Just send a GCR list and \$2 to:

Redwood Empire DX Association, P.O. Box 750531, Petaluma, CA. 94975.
